

April/May 2019

Welcome back to another term at Little Hands and a warm welcome to the families who are joining us! At the end of last term, Lucy Wood, a student from Cambridge Regional College joined us and she will be with us every Thursday and Friday until the end of the academic year, we are very happy to welcome Lucy to Little Hands!

September 2019 Booking Forms:

Thank you to everyone who has returned their September 2019 booking forms. Please remember the cut-off date for changing September sessions is **Friday 24th May**; changes after this are subject to 7 weeks term-time notice. I will be confirming bookings from 29th April this half term.

Holiday Club

If you would like to book a space for the May/June half term holiday club, please complete a booking form this is attached to the email with this newsletter or as a paper copy on the front table - I will be arranging the sessions and staffing very soon. Bookings for the Summer Holiday Club will be starting in the next few weeks, so please look out for those booking forms too.

Group Photograph

Andrew Martin is returning to take the annual group photograph on Friday **24th May**. This will be in panoramic format (18x16). The children are photographed in small groups which are combined; this is a great memento for children leaving for school in September, so they don't forget us! If your child doesn't attend on Fridays, you are still welcome to come in; just let me know so I can add you to the list. Andrew is also happy to take individual photos or photos with siblings/friends, but this is by prior arrangement only, so please let me know. **Please note that due to data protection laws, we require your permission for your child to be included in the group photograph, so please sign the permission sheet available at nursery.**

Lost Property

We have a new lost property box so please have a look through this when you are next at nursery in case any of your child's belongings are amongst the items. Any unclaimed items will be donated to charity by Friday 26th April. **Please remember to label your children's clothes and belongings so that they can be returned to you.**

Tapestry

Did you know that you can upload photos to your child's Tapestry profile to share with us? Just select 'add observation', or the 'plus' icon in the app, add the relevant information in the boxes on the screen then add photos and videos by selecting 'add media'.

Sun Cream

When the weather warms up please send your children to nursery with a sun hat and with sun cream already applied. We are happy to reapply sunscreen on children staying with us after lunch if you provide us with a named bottle/tube of sun cream. Please make sure that your child's sun cream is in the box provided so that we do not have to root through bags looking for it. We will start forming a list to gain your consent to apply sun cream, so please look out for this or ask the member of staff at the door.

Please remember to update us on any changes to your child's health or personal details including contact details. Here is a reminder of our contact details too:

Telephone: 01954 710656 and email: lh.bourn@gmail.com
