

Bumble Bee Room

Sharing Activity Sheet

:

Autumn first half term 2016

Welcome to the Bumblebee room!

For the first half of this new term we will be getting to know each other, settling in and learning about ourselves and our families. Please bring in a photo of your family for us to display in our room! This is a great way for the children to feel comfortable at Nursery. Each week/fortnight we will have a different theme in the room influencing the activities, sensory and messy play that we offer. These are as follows:

- **All about me/our families**

- **Colour**

- **Night and day**

- **The Farm**

- **Autumn**

At song time we will be singing

**Twinkle, twinkle little star,
Wind the bobbin up,
Miss Polly had a dolly**

Baa Baa black sheep.

You may want to bring these songs and ideas to your play at home with your child. Please ask us if you would like to know more about our activities at nursery. You will have plenty of art work to take home and will be able to view your child's creative pieces on our displays!

You may wish to explore our topics at home with your children. If you visit the farm please bring us a picture so we can display it and any autumn objects you may find.

Please let us know of any milestones, achievements, experiences and family news you would like to tell us about! This can be at any time not just at the start of term!
