

# Butterfly Room

## Sharing Activity Sheet

Autumn Term 1<sup>st</sup> half 2016

### Topics and Themes and Childrens choice

- Family
- Harvest
- Cooking
- Autumn
- Eric Carle

In these first few weeks we will be getting to know the children and helping them to settle in with the routines of the Butterfly room. We will talk about the importance of kind hands and sharing with our friends.

At circle time we will be talking about our topic for the week and reading stories related to that topic. Circle time is also an opportunity for the children to let us know about something special they have done outside the nursery, so please do let us know if your child has something to share.

### Our Topics and things to explore at home

- Family - we will be talking about our families and their similarities and differences; you could encourage your child to talk with you about the members of your family.
- Harvest - we will be talking about harvest festival, why we celebrate it and getting creative too.
- Cooking - we will be making and baking lots of yummy treats, ask your child what they made and how.
- Autumn - we will be going on an autumn nature hunt to help us see what is happening in autumn. We will also be creating an autumn display.
- Eric Carle - This week we will be reading many of the very special books written by Eric Carle; Brown bear Brown bear what do you see, Mister Seahorse, The Very Hungry caterpillar, The Very Busy Spider, The Mixed up Chameleon. Ask your child to tell you about some of the stories.
