- Gardening

### Songs and Rhymes

We will be teaching the children the following:-

Cooking week:-

- 5 fat sausages
- 5 current buns.

Fairy tales week:-

- Goldilocks went to the house of the bears
- Jump aboard a pirate ship.

People who help us week:-

- Postman song.

Rainforest week:-

- Down in the jungle.

Mini beasts week:-

- Incy wincey spider
- Bee

## Gardening:-

- The gardener plants the seeds
- Farmers in his den.

## Things to explore at home

- During our cooking week the children will be measuring out the ingredients and mixing them all together, perhaps this week they could also help you at home with mixing and measuring.
- Bedtime is a great time to read stories, during our fairy tales week you could read some fairy tales that your child may not be so familiar with and talk about what happens in the story and their favourite part of it.
- Does your child know what number to phone in an emergency and which service we would you depending on what the emergency was? If not, this week would be a good week to talk about this with your child as we will also be talking about this at nursery.
- What animals live in the rainforest? Can your child answer this? Talk to them about which animals live in the rainforest and why they think they live there. We will be reading rainforest stories at nursery this week and doing lots of crafty activities.
- Mini beasts and gardening go hand in hand. If you happen to be in the garden planting some seeds or some flowers you could talk to your child about what they think the plants / flowers will need to keep them alive, e.g sun, water etc. While planting things it's also a good opportunity to have a bug hunt and talk about the different bugs you find, what colour they are, how many legs they have etc!
